We have done our best to find many of the names of World War II Veterans originally honored by the Frosthalm Memorial but we know that our list is not complete. If you know of anyone whose family home was located in the vicinity of the Frosthalm Memorial (approximate area Greendale Fire Station to Salisbury Street), whom should be honored on this memorial, please contact Bob Gates at 508-852-6325 or send in the form below. With its restoration, we have expanded the memorial to honor those who served from WWII to present.

Veteran's Name: _____

Family Address: _____

Branch of Service: _____
